

Divyanshu Priyam

Advocate

Specialist in IVF, Surrogacy & ART Law

Guided 200+ families, intended parents, surrogate mothers, and clinics through ART and Surrogacy laws, ensuring compliant documentation, consent, and representation.

Advises hospitals and clinics on clinical governance, regulatory compliance, risk mitigation, medico-legal preparedness, and medical negligence matters.

Represents clients before High Courts, Consumer Forums, Armed Forces Tribunals, Court Martials, and in commercial arbitration and contractual disputes.

Contributes to ART policy development, conducts compliance workshops for medical professionals, and represents athletes in sports arbitration and disciplinary proceedings.

Strategic Defence Counsel in Court Martials & Military Tribunals: Represented armed forces personnel in disciplinary proceedings under the Army, Navy, and Air Force Acts, ensuring procedural fairness and rights protection.

Experienced Counsel in Sports Arbitration & Disciplinary Proceedings: Defended athletes and sports professionals in doping allegations, selection disputes, and disciplinary actions before national arbitral forums.

Commercial Arbitration & Contractual Dispute Resolution: Represented clients in high-value commercial arbitrations involving service contracts, partnership disputes, and regulatory breaches under institutional frameworks and before high courts.

Contributor to legal research and policy recommendations for improving ART regulations in India.

Conducts training sessions and workshops for clinics and medical professionals to ensure smooth compliance with ART regulations.
